

The Biondi Middle & High School Dressing for Success

July 2018

Dear Parent or Guardian:

On behalf of our School Superintendent Dr. White, our Principal Mrs. Baker, Assistant Principal Mr. Grimes, and the entire Biondi School family, including myself, we wish to thank you and your child for helping our students dress for success, look great, feel great, and impress. As you know, the Biondi School Mandatory Student Uniform Policy requires all students enrolled at the Biondi Middle & High School to wear the School Uniform (**burgundy shirts and/or burgundy-hooded pullover sweatshirts with the school logo; and khaki-colored pants/skirts or Biondi sweatpants.**) Our school is a 12-month educational program. The rules of attendance, academics, and the school uniform requirement remain in effect throughout the 12-month school year.

The Biondi School has made it convenient and cost-effective for families to purchase student uniforms at the school. We have uniform shirts (100% cotton) and excellent quality, no iron, stain release, permanent crease khaki pants made by *Dickies*, “the original work pants” manufacturer, in different sizes and lengths. We have pleated khaki skirts in sizes 16-20. We also have *Champion* heavyweight hooded pullover sweatshirts (with a front pouch pocket).
